

What

WE NEED YOU TO KNOW ABOUT FRATERNITY & SORORITY LIFE

1 THERE ARE MANY OPTIONS

There are many options to consider when joining the fraternity and sorority community at Colorado State University. With more than 50 fraternity and sorority chapters, from culturally and faith-based to professional and interest-specific, there is a home in CSU's fraternity and sorority community for everyone.

ASK QUESTIONS 2

The importance of asking questions during the intake or recruitment process cannot be over emphasized. We encourage you to ask the fraternity/sorority you are interested in joining questions about their unique membership expectations.

3 COMMITMENT TO SAFETY & SOCIAL RESPONSIBILITY

The Office of Fraternity & Sorority Life (OFSL) and Colorado State University are committed to ensuring student safety. Enforcing our anti-hazing policy and educating students on the importance of a safe intake or new member process is a priority. Learn more about CSU's hazing policy at endhazing.colostate.edu. In addition to our anti-hazing efforts, we are dedicated to fostering social responsibility within the fraternity and sorority community by maintaining strict expectations and policies that govern the way organizations host social events with alcohol. Fraternities and sororities are some of the most highly regulated student organizations on a college campus. Learn more about our community policies at fsl.colostate.edu.

UNDERSTAND THE

FINANCIAL REALITIES

Each CSU fraternity and sorority has financial expectations for membership, and some include housing expectations and costs as well. Fraternity/sorority membership fees or dues provide chapters their operating budgets to fund all chapter activities and pay for all essential chapter needs. Detailed financial information can be found online at fsl.colostate.edu under the Future Members tab on the Finance and Facility Information page.
