

for survivors of interpersonal violence

4:00-4:50pm

Women & Gender Advocacy Center 112 Student Services

A support group for survivors of sexual assault, child sexual abuse, relationship violence, and/or stalking. This group meets weekly during the semester. Space is created for students to process their experiences, discuss coping strategies, and learn more about how to manage the impact of trauma. There are no structured topics discussed each week, but themes do often arise during each group session. CSU students of any gender who identify as a survivor are welcome to attend after a brief consultation with one of our advocates.
