1. President: Ally Peters, orderofomegaCSU.President@gmail.com  
   a. Welcome and congratulations to all new members! We are so excited to have you all here.  
   b. Applications for Spring membership are open now and will be open until February 14, please continue to spread the word to members in your organizations! You can also recommend people to apply for Order of Omega by going to the Order of Omega page on the FSL website.

2. Vice President: Allie Blue, orderofomegaCSU.VicePresident@gmail.com  
   a. If you are graduating in December, be sure to have your requirements complete at this time. Reach out to me or the rest of the officers with any concerns/questions.
   b. If anyone would like to submit additional notes for the Paper Bag Crew, they can drop the notes at the OFSL in the LSC by **Friday, December 6** to get credit. If you do this, make sure you put the cards in an envelope with your name on the front so that you can get credit. As a reminder, the notes should be done on notecards or similar-sized pieces of paper and should include a simple picture on one side with some words of encouragement or support on the other side. Everyone at the induction meeting got credit for 1 service hour, and submitting another 7 notes to the office will get you an additional 2 hours of service or a total of one "service event". If you would like to help the Paper Bag Crew with assembling and passing out meals for more service hours, please reach out to me and I will share their contact information. Thank you to everyone for contributing to this organization!

3. Treasurer: Ally Hartshorn, orderofomegaCSU.Treasurer@gmail.com  
   a. For all of those people who haven’t paid their dues yet, please look out for an email from me about payment details.

   a. Order of Omega members are required to complete three service events or 10 hours of service each academic year.    b. You may either participate in Order of Omega sponsored events, or complete alternative service events. To submit an alternative service event for review, fill out this [form](#) which is on the OFSL website under the Order of Omega section.
