 - Panhellenic Affinity Space

*To create space for people of color in Panhellenic (historically white) sororities at CSU to talk with and support one another specifically connected to experiences of members of color in historically white sororities, an “affinity group” has been created. If you identify as a person of color and would like to gather with others to discuss your experiences and share space with one another, please consider attending. Conversation will be facilitated by CSU staff that identify as women of color that are also members of Panhellenic sororities. This includes Tawsha Mitchell, alumna of Delta Delta Delta and staff member in the Collaborative for Student Achievement, Natalie Padrón, alumna of Kappa Alpha Theta and OFSL staff member, and Shaill Vasavada, alumna of Alpha Omicron Pi and OFSL staff member. This affinity group meeting will occur on **Thursday, February 4, 2021 at 6pm**. Anyone that would like to attend can RSVP by completing this very [brief form](#). If you would like to be part of this group but are unable to attend the February 4 meeting, please outreach to natalie.padron@colostate.edu so that you can be kept in the loop about the meeting and future opportunities to gather.*
