  - Please make it clear to your social media/PR officers that the forms that I send to them NEED to be shared with chapters so that I am receiving content to post and share. This also can be encouraged/done by delegates as well. I have lots of great features ideas, but it’s hard to execute them when I have no one signing up/sending in content.
  - Deadlines are hard deadlines, please also remind your social media/PR officers that when I give a deadline for something, I need to have those forms done by then. I don’t want to sound mean but this is mostly for the benefit of the chapters so I can highlight the amazing women in our community!
  - AFLV: Having honest conversations with our chapters about where we can improve and

be better
