- d. Vice President of Risk Reduction ([mgccsu.riskmanagement@gmail.com](mailto:mgccsu.riskmanagement@gmail.com))
- i. **COVID-19 Planning Website:** Throughout the summer and as we know more about what the fall 2021 semester may look like, we will be updating our COVID-19 planning website to assist chapters in their planning efforts. We encourage you to visit this site often as you consider what your fall semester will look like to ensure your planning efforts are in alignment with CSU and Larimer County guidance and orders. You can view that site at any time at: [Fraternity & Sorority Life Fall 2020-Spring 2021 Planning | Fraternity and Sorority Life \(colostate.edu\)](#).
  - ii. **Risk Management Resources:** If it's been awhile, we encourage you to review relevant resource pages on our website and/or share this with new chapter risk managers you are transitioning:

    2. Hazing Prevention Resources: <https://fsl.colostate.edu/resources/hazing-prevention-education-resources/>

  - iii. **OWS Kickoff:** As you consider transitioning a new officer or planning your fall, note that the fall semester OWS kickoff for risk management will take place the afternoon of **Sunday, August 29, 2021 from 1-2:30pm**.
    1. In addition to chapter risk management officers, if your chapter has an officer (separate from the risk manager) that operates as a social chair, they should plan to attend as well. The risk manager's attendance is required for Elevation credit. No proxies are allowed at this initial kickoff workshop and we work to provide ample advance notice to you and chapter presidents about this date and time.
  - iv. **Fall Tailgating:** For those of you representing chapters that may be interested in hosting tailgate events this fall on home football game days, please ensure you are thoughtful of continued messaging over the summer so that you understand what football game days will look like in the fall. There are still determinations to be made related to what this

experience might look like, so chapters should not make plans until they know more about what is being arranged centrally. **If tailgating on campus will occur this fall, we WILL move forward with a Tailgating Summit in August (on Sunday, September 22, 2021 from 5-8pm).** Attendance at this summit would be **required** for any chapter that hopes to host a tailgate event. Please message [Lindsay.sell@colostate.edu](mailto:Lindsay.sell@colostate.edu) if you have any initial questions.
