How to Start a Local PFC

1. Discuss the PFC concept with your chapter and national headquarters.
2. Contact other professional fraternities on campus who may be interested in being a part of the charter group.
3. Identify a campus advisor (with the assistance of V.P. of Academic Affairs or *Provost*) who would be willing to work with the PFC.
4. Contact the appropriate University official (Student Affairs) and inform them of your intent to form a PFC as a student organization. Ask if they need additional information and if there is a specific procedure you must follow. Ask them what they will do to assist you.
5. Contact other PFA member fraternities on your campus and invite them to an informational meeting.
6. Host an informational meeting to present the PFC concept to other fraternities. Inform them of University policies/procedures, answer questions and obtain a list of interested fraternities.
7. Inform the University and PFA Headquarters of your progress.
8. Organize a meeting consisting of two representatives from each interested fraternity for the purpose of writing a PFC constitution. Use the sample provided by PFA, along with University requirements and your own ideas. Approve the constitution by simple majority (one vote per fraternity) and elect acting officers.
9. Submit the proposed constitution, along with any other required information to the appropriate University official.
10. Follow the appropriate recognition policies prescribed by your University.
11. After recognition, elect officers and establish a regular meeting time and location.
12. Submit a copy of the University approved PFC Constitution to PFA Headquarters along with a completed PFC survey.
13. Submit a list of participating fraternities and PFC officers to the PFA Headquarters.
