 - Are you looking to work on campus next year? Work with us! The Office of Fraternity & Sorority Life is currently seeking student interns for the 2021-2022 Academic Year. The OFSL works closely with interns and provides projects and specific job responsibilities as they relate to each intern's personal goals and aspirations. We will hire several intern roles including a community service & philanthropy intern, and an Elevation intern. The OFSL is looking for individuals who are responsible, mature, dependable, and professional.
 - These positions are work-study positions and the OFSL will assist applicants in completing the required work-study application (specifically for merit-based work study for those that may not qualify for need-based work study). We encourage you to apply even if you do not already have a work-study award; merit and need-based work study are available for the 2021-2022 academic year.
 - If you have any questions about the hiring process, please contact natalie.padron@colostate.edu or shaill.vasavada@colostate.edu.
