

2021 Panhellenic Recruitment Chapter Financial Information Form

Each Panhellenic chapter has financial obligations, and an awareness of those obligations is crucial as you consider possible membership in a sorority. If you have any questions about financial obligations, please ask the chapter about their dues structure, what dues cover, and financial assistance plans, as they vary from chapter to chapter.

Badge Fee	Each member organization has a badge/pin. Some organizations require a member to purchase a badge and others include it in the initiation fee. Badges may be very simple or jeweled. If a member is purchasing the badge, they determine how much or little she would like to spend.
Housing/Dining Fees	Both the costs of living in the house and the parlor fee if you do not live in the house. The cost of living in the house provides the same benefits of having an all-inclusive rent (e.g., includes hot water, electricity, internet, etc.). Members who do not live in the house often use its amenities, and as a result, there is a fee to cover those costs. This is referred to as "out of house dues" or "parlor fees."
Chapter Dues	These are the dues each member pays throughout their time in the chapter and is the packaged fee, which allows the chapter to pay for and afford the various costs and activities related to being in a sorority. These dues support sisterhood events, social events, philanthropy programming, recruitment, Panhellenic dues, and more.
One-Time Fees	Additional costs in the first semester, different from the remaining semesters in the organization. There are fees with headquarters to process joining the organization, becoming initiated, purchasing your pin/badge, and other fees.
All-Inclusive Fees	This means all of the items throughout the semester are included in your one-time fee. For example: when there is a chapter-wide order for t-shirts, or any chapter-wide events (e.g., socials, formals, etc.), this cost would be included in your dues.
