Panhellenic Council Meeting Agenda

Call to Order

Panhellenic Creed

We, as undergraduate members of women's fraternities, stand for good scholarship, for guarding good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.

We, as fraternity women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.

Panhellenic Association Executive Officer Reports

- President, Sara Sullivan: president.csupha@gmail.com
 - (858) 230 -9075
 - Had such an incredible time at AFLV West in Anaheim

- I attended a lot of workshops around diversity, equity and inclusion and this quote really stuck out me
 - “ It takes curiosity to learn. It takes courage to unlearn. Learning requires the humility to admit what you don’t know today. Unlearning requires the integrity to admit that you were wrong yesterday. Learning is how you evolve. Unlearning is how you keep up as the world evolves.” - Adam Grant
- Last week of president 1:1, I am looking forward to talking with your presidents
