        - Chapters can select any and all of these categories, videos can address one selected category, several categories or all categories. It is the chapter's responsibility to consider which categories their organization should be considered and develop a video that addresses the unique awards criteria for each awards category. Each category has unique criteria. To view the rubrics for each category please click here.
        - As you consider which awards categories you'd like your chapter to be considered in, please note that regardless of the number of categories your chapter is applying for your chapter awards video cannot exceed a total of 25 minutes.     - Move-In Intent Form
        - New student move-in will occur over two days: Tuesday, August 19, and Wednesday, August 20, 2025 between 8 a.m. and 6 p.m., and volunteer shifts will be two hours in length.
            - *For chapters interested in supporting Adelante Move-In (CSU's Spanish Speaking Move-In Program) remember that the majority of your chapter*

must be Spanish speakers, and that program is only occurring on Tuesday August 19 between 8am - 12pm.

- Should your chapter desire to participate in move-in please make sure you complete the intent to participate form by THIS Friday April 25, 2025.
- Overview of Move-in Participation Expectations:
    - Participation in new student move-in is a privilege limited to Ram Welcome Leaders, student athletes, and fraternity and sorority members. This year we will once again award Elevation credit to chapters for participating. 70% of your *available** chapter members must participate.
    - **Please note many of your members may be excused from participating in move-in (if they are RWL, OLs, RAs, etc.) and therefore do not count in your chapter total to reach the 70% requirement.*
    - The move-in shifts will be two hours each on one of the two move-in days. You have the opportunity to include preferences on the intent form for both preferred dates and buildings. Please note that we strive to honor requests, but final assignments are based off of university need.
    - **If this year's adjusted move-in schedule present challenges please email natalie.padron@colostate.edu with any concerns about your chapter's ability to participate in move-in.*
- *Key Communities at Briaden and the Amplify CNS Community in Laurel Village move-in will occur exclusively on Tuesday August 19, 2025. – So if your chapter desires to volunteer with Key Communities you must select Tuesday, August 19, 2025 as your move-in volunteer date.*
