Panhellenic Association Financial Outline

Panhellenic Association Dues:

At the beginning of the spring semester, the Panhellenic Council passes a Panhellenic Association general budget and Panhellenic Association recruitment budget. This budget indicates where money collected through Panhellenic Association dues is spent. Panhellenic Association dues are mutually determined by considering the financial needs of the Panhellenic Council, as well as considering the cost to member chapters. The discrepancy in dues between the NPC chapters and Associate chapters takes into consideration the costs associated with formal recruitment and services provided to member groups.

2026 Spring Semester:	NPC Chapter – Active Members	$25.00 per member
	NPC Chapter – New Members	$25.00 per member
	Associate Chapter – Active Members	$20.00 per member

2026 Fall Semester:	NPC Chapter – Active Members	$25.00 per member
	NPC Chapter – New Members	$25.00 per member

New Member Recruitment Fee:

All new members joining NPC Chapters pay a $10.00 or $20.00 new member recruitment fee in their first semester of membership. This fee assists in covering the cost of primary recruitment and spring COB recruitment, helping to keep the cost of signing up and going through the primary membership recruitment process at a minimum.
